# About Showtime Entertainment Production

## OUR ROADMAP

Showtime Entertainment Production is a French company world-renowned for producing and operating live entertainment for the past 28 years, by delivering amazing experience with all of their projects, whether it be a Theme Park show, a theatrical act, a cultural performance, an educational production, or any event with great success.

Also, we have developed a new branch where we offer an opportunity to rent our unique high standing equipment to promote venues, add extra values to shooting scenes and more...

Our Mission is to bring a premium and memorable journey of an international standard.

Our professional services cover turn-key solutions.

Showtime Entertainment Production is comprised of a team that is able to bring a project from conception to completion while maintaining the excellence.

## DEDICATED

S.E.P. is a dynamic team of dedicated people specializing in areas such as fields like creation, production, engineering, logistics and administration. This highly skilled team enjoys an international reputation for its specific know-how.

For more than 28 years, S.E.P. has been working on live shows targeting every continent. Our combined expertise from many years of show production experience has augmented our skills, giving us a broad range of technical solutions, and the ability to adapt the artistic concept to the cultural aspects of each country.

With more than 28 years of combined experience, S.E.P. has demonstrated its capacity to win the confidence and satisfaction of its clients. From the most popular permanent installations, glorious and prestigious events, to organizing committees and ceremonies. S.E.P. has proven success in delivering amazing shows

# About Showtime Entertainment Production

## DEDICATED

Our shows are regarded among the preferred elements of entertainment all over the world. The return rate of audiences has enabled our customers to meet their targets and sustain a constant degree of satisfaction in their venues, rewarding them with dividends over the years.

The S.E.P. team is always searching for new challenges.  
S.E.P. projects are ambitious. We always seek to push the conventional boundaries, taking into consideration both creative concepts, and technical feasibility
